

# Addendum

From: Jennifer A. Hernandez, Superintendent of  
WAY Charter Schools  
Date: January 9, 2017  
Re: Modification to a State Approved  
Administrator Evaluation Tool

This is an addendum to the January 5, 2016 postings and assurances documents for the district(s) use of the School Advance Administrator Evaluation System (2011). This addendum is between WAY Charter Schools and WAY Program certified administrators working in and with WAY Academy, WAY Academy-Flint and WAY Michigan retroactive to September 23, 2016.

This addendum modifies the School Advance Administrator Evaluation System by limiting the domains to be observed and used for the purposes of evaluating and rating school administrator's performance. For the 2016-2017 school year Domain 1: Results, Domain 2: Leadership and Domain 3: Programs will be used to observe, evaluate and rate all certified administrator's performance.
